They recommend that said report be approved. They also recommend the adoption of the following resolutions:

1st. That the removal, by death, of an unusual number of the fathers and friends of the Board, is a matter for deep regret and sorrow of heart.

2d. That we are mindful of the labours and trials of our brethren, who occupy our foreign field; and that we sympathize with them, both when they rejoice at their success, and weep over their disappointments.

3d. That the favouring providence of God, viewed in connection with predictions and promises of his word, is, year by year, fitted to beget within us a firmer faith, that the work of missions to the heathen is of Divine appointment, and is destined to terminate in the subjection of the whole world to the dominion of Christ.

4th. That the earnest call which is now made to us, for new labourers in the service of the Board, is heard with deep solicitude; and that ministers and people, throughout all our churches, make new and more extended efforts to obtain suitable men, and the means necessary for their support and comfort.

5. That, while as a Church of Christ, we counsel and act for the extension of his kingdom over the whole earth, it ever becomes us to yield our hearts to a deep and abiding sense of our need of the presence and blessing of God; and seek this blessing by humble, believing, and importunate prayer.

The Committee recommended that the suggestion of the Overture be commended to the careful consideration of the Board of Publication. After an extended discussion, the previous question was called, and the report was adopted.

Overture No. 9, consisting of a memorial from the Rev. Dr. Doak, and one from the Ruling Elders of the Mount Bethel Church, in the Presbytery of Holston, touching a legacy of Wm. Brown, and the relief of this Church, according to the mind and will of that Testator. The Committee recommended to the Assembly the adoption of the following minute, viz:

Resolved, That the Trustees of the General Assembly be requested to correspond with Wm. M. Lowry, of Greenville, Tennessee, or with some other suitable person, respecting the legacy of the late William Brown to the Presbyterian Church; and if they find that the intentions of the testator will be met, by giving such direction to the bequest, then the Trustees are authorized to pay a sum not exceeding \$500 to the Mount Bethel Church, for the discharge of the debt now due on their house of worship; and the balance, under the direction of the Committee on Church Extension, to the extension of the Church in that region. The Trustees of the Assembly are fully authorized to settle the whole business with the executor of Mr. Brown upon such terms as may seem to them expedient. The report was adopted.

The first order of the day was taken up, viz: the hearing of Delegates from corresponding bodies. After which, the following resolution was unanimously adopted: That the General Assembly has heard, with great satisfaction, the statements which have been made by the respected delegates, from the General Convention of Congregational Ministers in Vermont, the General Conference of Maine, and the Evangelical Consociation of Rhode Island, respecting the state of religion within their bounds; that we fully reciprocate the Christian salutations, conveyed by them to us, from the bodies they represent; and that we cherish the hope, that the fraternal correspondence now existing between the General Assembly and these bodies, may not only be continued, but may be the means of strengthening the bonds of affection between the various branches of the Church of the Lord Jesus Christ.

The second order of the day, an election of a preacher on Popery, for the next General Assembly, was then taken up; and, on motion, the whole subject was indefinitely postponed.

The Delegates report that they were cordially received by these bodies respectively; and that the fraternal regards of the General Assembly were reciprocated in the kindest terms.

Providential hindrances prevented the Rev. Alexander T. McGill, D. D. from attending the General Conference of Maine; and too late to give notice to the alternate.

The Committee on Bills and Overtures reported Overture No. 6, a memorial from the Second Presbytery of Philadelphia, desiring the Assembly to change the boundary line between the Synods of Philadelphia and New Jersey.

The Commissioners from the Presbyteries of Philadelphia 2d, and Raritan, which Presbyteries are particularly concerned in the matter, having, after conference with each other, and the Committee, freely consented that the boundary in question shall remain as settled by the last Assembly, the Committee ask to be discharged from the further consideration of the subject. The report was adopted.

Overture No. 19. A request of the Rev. J. G. Montfort, that the Assembly answer the following question: "Is it the duty of Presbyteries, when Elders or Deacons from the Methodist Episcopal Church apply to become Ministers in our Church, to recognise their ordination as sufficient, or to ordain them, as in the case of other candidates?"

The Committee recommended that the overture be answered by a reference to the action on the subject of the General Assembly of 1821. The report was adopted.

Overture No. 17. A request from the Presbytery of Muncie, that the Assembly take the necessary steps for procuring such an alteration in the Form of Government, as will enable a Minister and one Elder to perform Sessional acts, when the other Elder shall, in the judgment of the Presbytery, be from any cause incompetent to act in the case.

The Committee recommended to the Assembly to adopt the following minute: *Resolved*, that no alteration of our constitutional rules is needful to secure the ends of discipline, in the premises. The report was adopted.

The Committee on the Annual Reports from the Theological Seminary at Princeton, presented a report, a part of which was adopted, as follows:

Resolved, That the Assembly cordially responds to the just tribute of respect and affection to the memory of that venerable man of God, the late Dr. Archibald Alexander, contained in the Report of the Directors of the Seminary, of which he was the first Professor, and over which he presided for nearly forty years. Called to the duties of his high office, not only by the unanimous voice of the General Assembly, but, as we fully believe, by the great Head of the Church, he devoted himself most faithfully to his work; and was a pattern, in all that can adorn a Christian teacher, and a minister of the gospel.

Distinguished for talent, for learning, for sound judgment, for sound doctrine, for integrity, for firmness, for simple manners, and for fervent piety, and withal, for his catholic spirit, he was eminently qualified to train, for their high and holy office, those whose aim it was to serve God in the ministry of his Son. Never, perhaps, was a man more beloved by his pupils, as hundreds of them, yet living, can testify, and who ever found in him a counsellor, at once judicious, kind and tender. Having finished his work, he calmly and sweetly fell asleep in Jesus, leaving to the Church the legacy of his bright example, by which, though dead, he yet speaketh.

In view of his long and useful life, and of his peaceful and happy death, we should rather give thanks for what he was enabled to accomplish, in a ministry of sixty years, than mourn his removal from the Church on earth to the Church in heaven; and, with all earnestness, pray, that in the wise and holy providence of God, more of like spirit and of like attainments may be raised up, to adorn and bless our Church, and to teach in our schools.

The remainder of this report, was, on motion, made the first order of the day, for this afternoon.

Dr. C. C. Jones, Corresponding Secretary, then presented the Annual Report of the Board of Missions; which was referred to a Special Committee, consisting of John Maclean, D. D., Robert Steel, D. D., Adam Gilchrist, M. D. Hoge, Stuart Robinson, James Stratton, George Howe, D. D., H. H. Leavitt, and Joseph Charless.

The second order of the day was then taken up—the subject of a Cheap Paper; and after discussion, it was postponed, in order to hear the parting salutations of the Rev. John O. Fiske, delegate from the General Conference of Maine, and of the Rev. J. K. Converse, delegate from the General Convention of Vermont; after which, and a response by the Moderator, the unfinished business was resumed, when the previous question was called, and the resolution recommended by the Committee on a cheap paper rejected.

On motion, the remaining orders of the day were postponed. The special Committee on the communication from the Charleston Union Presbytery, submitted a report, which, on motion, was made the second order of the day for Thursday morning next.

The Assembly then adjourned, to meet this afternoon at half-past four o'clock. Closed with prayer.

TUESDAY AFTERNOON, 4½ o'clock.

The Assembly met, and was opened with prayer.

The minutes of last session were read and approved.

The special Committee on the Annual Report of the Board of Education presented a report, which was adopted, as follows:

1. *Resolved*, That the claims of the home and foreign field, demand a

large increase in the ministry of the Presbyterian Church; and that at a time when the candidates seem to be decreasing, instead of increasing in number, and death to be multiplying its ravages in the ministerial ranks, it is especially incumbent on the Church to use all scriptural means to train up her youth with more direct reference to the preaching of the everlasting gospel.

2. *Resolved*, That this Assembly recognise with gratitude the goodness of God in pouring out his grace upon several of our institutions of learning, during the past year; and whilst the churches are invoked to "pray without ceasing," to the "Lord of the harvest" for the continuance of his favour, the last Thursday of February next is recommended for general observance as a day of *special* prayer for the Divine blessing upon the youth of our land who are pursuing their studies in literary institutions, and especially that many of them may be called, and qualified by the grace of God for the work of the ministry.

3. *Resolved*, That this Assembly reaffirms its testimony in regard to the importance of establishing education upon a religious basis, as recommended by preceding Assemblies; and viewing the Church as a party interested in education, within its sphere, it invites its judicatories according to their wisdom under their various circumstances, to see that the youth within their bounds have access to institutions of learning, where the truths and duties of religion shall be assiduously inculcated.

4. *Resolved*, That the Board of Education, in its important departments of benevolent operation, be recommended to the patronage of our churches; and that the Presbyteries and Synods endeavour to have its objects annually presented in such manner as may be deemed expedient with a view to increasing the means of educating pious young men for the ministry.

The Judicial Committee reported No. 1, the complaint of James Russell against the Synod of Georgia.

It appears to the Committee that Mr. Russell has conducted his complaint in due form, but the Synod has failed to furnish the documents needful to its prosecution. The minutes of Synod are present, and complainant has furnished attested copies of minutes of Presbytery, and of the testimony of witnesses examined. But we have still no attested copy of the charges which had been the basis of the original trial, nor of sundry papers referred to in the Presbytery's records, and which had been received as testimony. The Committee recommend to the Assembly the adoption of the following resolutions in the case:

Resolved, 1st. That the Synod of Georgia be directed to send up to the next Assembly authenticated copies of all their records, and of the whole testimony relating to the matter of the complaint, together with their reasons for not sending up the papers to this Assembly, unless the case shall be previously adjusted.

Resolved, 2d. That the papers received from complainant be returned to his own custody. Adopted.

Judicial case No. 2. An appeal of Mr. Thomas Davis from a decision of the Synod of Memphis. The Committee recommended the following action in this case, viz: Whereas, Mr. Thomas Davis has failed to appear before this Assembly, to prosecute his appeal from the Synod of Memphis, therefore,

Resolved, In accordance with the rule of the Book of Discipline, in this case provided, that his appeal be dismissed from the further attention of this body.

The first order of the day, the report of the Committee on the Theologi-

cal Seminary at Princeton, was then taken up, and the second resolution was adopted as follows :

Resolved, That the Assembly have learned with much pleasure, the continued prosperous condition of the Seminary, not only as it respects the number of students, but more especially, in reference to the state of religious feeling among them, and to their diligence and proficiency in their studies.

The third resolution was then read, and discussed at length when the Assembly adjourned, to meet to-morrow morning at 9 o'clock.

The Report of the Committee on the Western Theological Seminary was presented and adopted, as follows:

The Committee to which were referred the Reports of the Boards of Directors and Trustees of the Western Theological Seminary, having attended to the duty assigned them, would recommend the adoption of the following resolutions:

1st. That these Reports be approved, and printed in the Appendix of the Assembly's Minutes.

2d. That this Assembly rejoices in the information that the Rev. Dr. Jacobus has entered upon the duties of his Professorship, as well as the increased attention to personal religion and quickened zeal manifested among the students; and, satisfied with its promise of continued usefulness, together with its ability to meet and answer all the lawful expectations of the Church, they would most cheerfully recommend the Institution to the confidence and support of the Christian public.

3d. That this Assembly, impressed with the importance of having this Institution possessed with the same advantages as other Seminaries of a like character, do earnestly recommend the Board of Trustees to adopt speedy measures to secure the endowment of a fourth Professorship.

4th. That the Trustees of the General Assembly be directed to give a legal release to Robert Patterson, Esq., as Executor of James Dorman—having paid over to the Trustees of the Seminary the entire amount of legacy which said Dorman had bequeathed to that Institution.

Nominations to fill vacancies in the Board of Missions were made, and the election was made the first order of the day for to-morrow afternoon.

The first order of the day was then taken up, the choice of a place for the meeting of the next General Assembly, and the city of Buffalo was chosen, the usual time being assigned, and the sessions appointed to be held in the Central Presbyterian Church of that city.

An invitation from the Committee of Arrangements for the reception of the Assembly in Charleston, to take an excursion in a steamboat on the Cooper river, was received and accepted; the thanks of the Assembly voted, and Monday next was fixed as the time for complying with the courteous request.

The second order of the day, the Report of the Board of Publication, was then taken up, and the special committee to whom had been referred the Annual Report, presented a series of resolutions, which were discussed until the regular time for adjournment; when, on motion, the Assembly adjourned, to meet this afternoon at half-past four o'clock.

Closed with prayer.

WEDNESDAY AFTERNOON, 4½ o'clock.

The Assembly met, and was opened with prayer.

The minutes of last session were read and approved.

W. K. Marshal, D. D., from the Presbytery of Arkansas, appeared as an additional Commissioner.

The Committee on the Annual Report of the Board of Missions, presented a report, which was adopted, as follows:

Resolved, 1. That the General Assembly has heard with high gratification the Report of the Board of Missions, and acknowledge with devout gratitude the successes of the past year, and the good hand of God yet mercifully resting upon this important branch of the Church's operations.

Resolved, 2. That the churches be urged to contribute more liberally to the funds, in order that the present liabilities of the Board may be met, and the Board be enabled to go forward in supplying the destitute fields in our widely extended country.

Resolved, 3. That the Assembly would re-affirm all the principles upon which it has heretofore carried on its Domestic Missions—principles which have been exhibited in a review of all the published minutes, acts, and doings of the Church in her highest judicatories from the beginning; and which are drawn up and set forth in order in the Report of the Board of Missions.

Resolved, 4. That the great work undertaken for so long a time by the Assembly, is the expansion and full establishment of the gospel of our Lord and Saviour Jesus Christ, by his own spirit and power, over all our vast country. And it is purely a missionary work; missionary in this respect, that ministers are sent out by the Assembly, and means furnished for their support, in whole or in part, while they are preaching the gospel, and gathering and establishing churches. So soon as individual churches, or groups of churches are established, and are able to support all the institutions of the gospel for themselves, they are no longer missionary in character, but immediately cease their connection with the Board, and fall into line with the great body of self-sustaining and contributing churches, and go to add to the solid material and power of the Presbyterian Church. Now the principles upon which the General Assembly conducts its domestic missionary work are these: 1st. It is in the sense defined, a *missionary work*. 2d. The funds contributed for it are *missionary funds*. 3d. The men employed in preaching the gospel are, in their fields, *missionary men*. 4th. All the churches and fields aided and supplied, are missionary churches and fields. 5th. The funds supplied are funds for *temporary assistance*, and not for *entire nor permanent support*. The people aided are to *help themselves*, be it ever so little, from the beginning, and are to go on to independence. 6th. The grand end and aim of the Assembly is to *establish self-sustaining churches and fields*, as fast and as far as possible, and so to increase the *solid material and power* of the Church, and accumulate *strength to go forward expanding*. 7th. Ministers and means are to be distributed according to the *relative importance and promise of different fields*, and in view of the *necessities of the whole field*, that there may be *equality and no partiality*. 8th. The Assembly conducts this work through a *Committee or Board*, responsible to *itself alone*, under its advice and control, and which Board is required to exercise its sound discretion and judgment in deciding upon, and in conducting the business entrusted to it. 9th. *No debt* to be incurred in carrying forward the *missionary work*. The Assembly always acted upon this first and only safe principle, and in the Assembly of 1803, the following resolution was passed: "That there ought to be no anticipation of the funds in future; or in other words, that appropriations ought not to be made in any year, beyond the amount which the funds arising in that year will be sufficient to satisfy." p. 280. 10th. And finally, agents for visiting the churches, and collecting funds for the work, may be employed by the Board.

Resolved, 5. That the Board be directed to go forward and conduct the work entrusted to its care on these principles, as heretofore, and that they

be commended to the attention and observance of all Presbyteries and churches in their applications for aid, and that the Board be also instructed to pay, as heretofore, due regard to the recommendations of Presbyteries. That all pastors and stated supplies be requested to take pains to circulate the Report when published, and diffuse more information on the subject of Domestic Missions among their people.

Resolved, 6. That the warmest thanks of this Assembly are due to the Rev. C. C. Jones, D. D., and the Board of Missions, for the energy, zeal, and good judgment with which their whole work has been prosecuted during the past year, and the Assembly would further express its special gratification with the enlarged and liberal views of this great subject presented in the Annual Report.

The unfinished business, in relation to the report on the Theological Seminary at Princeton, was then taken up, and the *third* resolution, which is as follows—That the department of Polemic Theology be transferred to the Professorship of Exegetical and Didactic Theology—was adopted.

The election of a Professor of Pastoral Theology, Church Government, and the Composition and Delivery of Sermons, for the Seminary at Princeton, was made the first order of the day for Friday morning next. The Rev. Dr. Howe, at the call of the Moderator, led the Assembly in solemn prayer; after which nominations were made to fill this office.

The Assembly then adjourned, to meet to-morrow morning at 9 o'clock. Closed with prayer.

THURSDAY MORNING, May 27.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer. The minutes of last session were read and approved.

Samuel Dickey, Minister, from the Presbytery of Donegal, appeared as an additional Commissioner.

On motion, the resolution accepting an invitation to take an excursion on the Cooper river, was reconsidered, and the following was adopted: That, while the Assembly fully appreciate the kindness of the Committee of Arrangements in this invitation, yet, in view of the pressure of important business, the Assembly, while they return thanks for their kindness in this and other matters, do respectfully decline accepting the invitation.

The first order of the day, viz. Reports on the Synodical Records, was then taken up; and the Records of the Synods of Albany, Buffalo, New York, New Jersey, Pittsburgh, Ohio, Indiana, Northern Indiana, Illinois, Virginia, Nashville, Alabama, and Memphis, were approved; and the Records of the Synod of Philadelphia were approved, with the following exceptions, viz.

1st. That there is no record of absentees from the meeting.

2d. That it appears from page 282, that an appeal and complaint was issued in the usual form, without any intimation of what the sentence or proceeding was, against which the complaint was made.

3d. That it appears, from page 273, that another complaint was issued, without any record of the proceeding complained of, or the body whose proceeding was the subject of complaint.

The records of the Synod of North Carolina were approved to page 200, with the following exception, viz.

It does not appear from the records, that the Synod closed its final session with the usual exercises of singing, prayer, and the apostolical benediction.

The Records of the Synod of Wisconsin, and the records of the Presbytery

of Wisconsin prior to the erection of the Synod, were approved, with the exception, that a record of the conclusion of one of its meetings is wanting.

The second order of the day was on motion postponed, in order to take up the unfinished business on the Report of the Special Committee on the Board of Publication, the question being on the fifth resolution, which, after an extended discussion, and a call for the previous question, was adopted; and the whole paper was finally adopted, and is as follows:

1. *Resolved*, That a review of the history of this enterprise, and the gradual development of this great idea of furnishing a religious literature for the Church, by agencies under control of the Church, from its feeble beginning to its present wide-spread and triumphant success, calls upon us devoutly to thank God and take courage.

2. *Resolved*, That the Assembly hereby tender its thanks to Board of Publication, for the energy, wisdom, and success with which they have carried forward this work during the past year.

3. *Resolved*, That this Assembly, in the name and on behalf of the Church, do hereby express its warmest thanks and its sense of obligation to the Rev. Dr. Leyburn, late Corresponding Secretary of the Board of Publication, for his able, untiring, and eminently successful efforts in extending and giving efficiency to the plans and operations of the Board.

4. *Resolved*, That, in the judgment of this Assembly, the present position of this work, the circumstances of the Church, and the urgent wants of the people, call upon this Board to press still onward, extending their operations, widening and more fully occupying their field of labour, so far as may be consistent with prudence and safety; relying on the liberality of the Church and the blessing of the Great Head of the Church for support.

5. *Resolved*, That the experience of the past and the results which have been developed as to the comparative efficiency, safety, and intrinsic merits of the plan of supplying the religious literature of the Church by Boards under ecclesiastical control, rather than by voluntary organizations, indicates plainly the duty of our Church to sustain more fully and more exclusively, and extend far more widely the work entrusted to this Board of Publication throughout our bounds.

6. *Resolved*, That, in the opinion of this Assembly, it should be a first consideration to adopt the plans and modes of operation of the Board, in so far as may be, to the peculiar wants of the several geographical divisions of the Church. And in this view the future plans of the Board should contemplate the organization of co-ordinate local agencies, and depositories at the west, south, and south-west, as speedily as may be deemed consistent with the safety and permanency of the organization already established at Philadelphia.

7. *Resolved*, That it be recommended to all our pastors and churches to give particular attention to the claims of this Board, and render such aid by the contribution of funds as to enable the Board to enlarge greatly the work of colportage.

8. *Resolved*, That the Assembly suggest to the Board, in its next Annual Report to exhibit somewhat more in detail the financial operations of the year; and also, in a form as extended as may seem proper to the Board, a statement of the method of procuring the manufacture of books published by it; and the advantages of the plan of the Board in this regard over the plan of establishing a printing-house and bindery for the execution of the work.

Nominations were then made to fill vacancies in this Board, and the election was made the first order of the day for to-morrow afternoon.

The Assembly then proceeded to the second order of the day, viz. the

report of the Special Committee on the communication of the "Charleston Union Presbytery;" during the discussion of which, the hour of adjournment arrived. A report was then heard from the Committee on Leave of Absence, which was accepted; and another from the Committee on Devotional Exercises, which was adopted. THURSDAY AFTERNOON, 4½ o'clock.

The Assembly met, and was opened with prayer.

The minutes of last session were read and approved.

The Committee on the records of the Synod of Georgia reported, that they find on examination that the minutes of the meetings of the Synod in 1850 and 1851 have not as yet been transcribed into the book. The Committee have examined the minutes for 1847, '48, and '49, which have never as yet passed under the review of the General Assembly. They find them carefully kept, and recommend that they be approved as far as page 111. They further recommend that the Synod be enjoined hereafter to have their minutes transcribed in due season, and annually submitted to the review of the General Assembly. The report was adopted.

The Committee on Finance reported that the Treasurer's Report has been examined by them and approved. This report was accepted.

They also presented a report on that of the Special Financial Committee, appointed by the last Assembly, and recommended the following resolutions; which were adopted, viz.

1st. *Resolved*, That the Trustees of the General Assembly be directed to separate the different trust funds, now amalgamated, and to manage hereafter each fund on its own basis; and that for this purpose, separate accounts be opened by the Treasurer, and each fund credited its proportion of the securities, as ascertained and specified in the report of the special committee on finances, made to this Assembly; and that hereafter, no borrowing from one fund to another shall be practised under any circumstances.

2d. *Resolved*, That the fund entitled "The permanent fund of the Theological Seminary," which is applicable to the general purposes of the Seminary, and is under the control of the General Assembly, be divided between the three original Professorships, to supply losses which have accrued upon the original investments.

3d. *Resolved*, That it be recommended to the Directors of the Theological Seminary at Princeton, N. J., to take measures to supply the losses sustained on the Scholarships, applicable to the purposes of education in said Seminary; and that the respective Scholarships shall hereafter remain unoccupied, until the annual interest arising from each, shall, with other funds as above recommended, be sufficient to make up the original investments; *provided* that the *present* incumbents on the scholarships be allowed to retain the usual income for the usual time.

4th. *Resolved*, That the full and satisfactory report of said special committee, with such part of the statements appended thereto as it may be deemed expedient to publish, be printed in the Appendix of the Minutes of the proceedings of this General Assembly.

Overture No. 14. A resolution from the Presbytery of Steuben, asking the Assembly to recommend to the churches to observe a general concert of prayer to Almighty God, against Romanism.

The following minute was adopted at the recommendation of the Committee, viz :

“ If it shall appear to a Presbytery, by common fame, or otherwise, that a member of one of its churches is a proper subject of discipline, and said church has but one Elder, and that Elder, by relationship to the offending member, or for other reasons, declines to act in his official capacity, does the 5th paragraph of the chapter in our Form of Government on General Review and Control, together with 8th sec. chap. 10, authorize the Presbytery to bring the offender to trial, and to act on the case in the place of said session? And are said paragraphs the only remedy in our Form of Government for the difficulty referred to?”

The Overture was answered by a reference to Form of Government, chap. 10, sec. 8; Book of Discipline, chap. 7, sec. 1, subsections 5 and 6; and chapter 7, section 2.

Overture No. 7. A memorial from the Synod of Alabama, suggesting to the Assembly the expediency of establishing in the Seminary, at Princeton, at least, if not also in each of the Theological Seminaries, maintained by the Presbyterian Church, a Professorship of “ *Natural Science, as bearing on Revealed Truth.*”

A memorial from the Presbytery of Logansport, desiring the Assembly to say, whether the Board of Missions has the power to reduce the amounts recommended to be given in aid to any churches, under the care of any Presbytery, without consulting such Presbytery; and if so, whether the Board has not equal right to take away the whole amount so recommended in any case.

It was *Resolved*, That while the Assembly expects the Board of Missions to pay great respect to the advice of the Presbyteries, touching missionaries labouring within their bounds, yet, in the distribution of its funds, the action of the Board must be controlled by the state of its treasury, and the relative importance of the various missionary fields under its care.

Overture No. 22. A memorial from the pastors of our churches in the District of Columbia, respecting Church extension in the City of Washington. At the recommendation of the Committee, the following minute, after being amended, was adopted, viz.

Whereas, It is very important to the interests of our whole Church in this land, that our doctrine and order be well and respectfully maintained at the seat of Government, and that our cause there keep pace with the growing population of the metropolis, and

Whereas, On account of the *absence of local wealth*, the *fluctuating character* of a large portion of its population, the consequent want of the usual *local incentives* to Christian enterprise, and other obstacles peculiar to the Capital of our elective Republic, it cannot be expected that funds, adequate to the erection of suitable churches, can be procured in that city, therefore

Resolved, 1st. That it be recommended to the Presbytery of Baltimore

to appoint suitable persons resident in the District of Columbia, to act as a Committee of Church Extension in the City of Washington.

Resolved, 2d, That it be hereby recommended to all the pastors and churches in connexion with the Assembly, to take up a collection in aid of this object, on some Sabbath in the month of October next, and transmit the same to the Treasurer of the Church Extension Fund, to be paid over by him to those appointed by the Presbytery of Baltimore to take charge of this enterprise, so soon as the work shall have been begun.

The Rev. Thomas A. Bracken presented a dissent from the action of the Assembly, in relation to the Charleston Union Presbytery, which, on motion, was admitted to record, and is as follows:

Whereas, the Presbytery of Charleston in entering into their present organization December 4th, 1838, followed, as was supposed, the ordinance of the Old-school General Assembly of 1838, relating to dividing Presbyteries, and by sending up their records regularly to the Synod of South Carolina for review since that time, and also delegates to the Old-school General Assembly have given presumptive evidence that the organization was orderly, and according to the above-mentioned ordinance; and whereas, the Charleston Union Presbytery, by neglecting to send up their records to Synod for review, and by neglecting to send delegates to the General Assembly, have given presumptive evidence that they did not even consider themselves as holding any ecclesiastical connection with the Assembly; and whereas, a portion of the Charleston Union Presbytery are supposed to be greatly unsound in doctrine; and whereas, no acknowledgments have ever been made touching the very singular and irregular course pursued by said Presbytery, therefore, the undersigned would enter upon the Minutes of the General Assembly his most earnest dissent from the action of this body, by which act a wide and inviting door is opened, not only for the reception of Charleston Union Presbytery by the Synod of South Carolina, but provision is made for its separate existence as a Presbytery upon the same ground, embraced within the limits of the Presbytery of Charleston.

THOS. A. BRACKEN.

Dr. Goldsmith, from the Committee on the Narrative, presented a report, which, being amended, was adopted, and ordered to be printed in the Appendix to the Minutes.

The unfinished business on Overture No. 12, from the Presbytery of Baltimore, touching the religious rights of our citizens in foreign countries, was then taken up, the question being on a substitute for the report of the committee offered by Mr. Robinson; a motion was under consideration to commit the substitute to a special committee, to report to the next Assembly, when a motion was made to lay the whole subject on the table. The yeas and nays were called on this motion, and it was lost by the following vote:

Allen, Halley, Beattie, Hawley, Miller, Stewart, Aitkin, Hollister, Thaddeus Wilson, Phillips, Goldsmith, Platt, Dumont, Bloomer, Brinsmade, Rankin, Hall, Jones, Studdiford, Guild, Samuel Dickey, Graham, Rench, Macmichael, McDonald, Murray, Breed, Leavitt, Diffendorf, Carson, Bergen, Kemper, Brown, Evans, Smith, Bracken, Humphrey, Armstrong, Herron, Holmes, Stevens, Campbell, Dutton, Rice, McCutcheon, Stratton, Gilchrist, Johnston, Williamson, Murphy, Maloy, Thom, Andrew H. The motion to commit was then carried, and the following persons were appointed on this committee: Wm. S. Plumer, D. D., S. B. Jones, D. D., Alexander T. McGill, D. D., Hon. R. C. Grier, and H. H. Leavitt. The substitute so committed, is as follows, viz.

1. *Resolved*, That, in the judgment of this Assembly, while the increasing intimacy of intercourse between the several nations of the earth should be a cause of rejoicing to all Christian people, and should be by them promoted by all proper means, as tending to advance the cause of universal peace; yet, at the same time, this increasing intimacy demands special attention to the terms of intercourse between citizens of various nations.

2. *Resolved*, That freedom of thought, freedom of conscience, and freedom of religious worship, being essential and inherent rights of American citizens, and being extended by the American people to citizens of all nations, without restraint, it is but just and equal that this privilege should be extended to our citizens by all nations between whom and our country treaties of amity and commerce exist.

3. *Resolved*, That this Assembly, in the name of that portion of the American people whose religious opinions they represent, express the opinion that, in all treaties with foreign nations, there should be, if possible, provision made for securing to the American citizen travelling or resident in foreign countries, the right to profess his faith, and worship God according to the dictates of his own conscience.

4. *Resolved*, That the Stated Clerk of the Assembly be directed to transmit to the President of the United States a copy of the foregoing resolutions.

Dr. McKinney presented a protest against the action of this Assembly, on the subject of a Cheap Paper, which was admitted to record, and is as follows, viz.

PROTEST.

The undersigned regret the necessity of asking the General Assembly to record their solemn protest against the Assembly's action, in regard to a Cheap Religious Newspaper, adapted to the instruction of Presbyterian families. They believe that the broad sheet and the weekly mail are just as legitimate means of preaching the Gospel, and just as really embraced in the constitution of our Church as are the bound book, and the colporteur; and are at the same time far less expensive, and far more effective. But the General Assembly utterly refuses to put its hand to this work—utterly refuses to extend to its own sons one encouraging word, by which they might be inspirited to engage in the benevolent enterprise of providing a good religious Newspaper, at a moderate cost, for the supply of the hundreds of thousands in our own connexion, who are now destitute of this important means of edification and enjoyment. A judicious arrangement on the part of the Assembly, by which confidence would be elicited, and concert secured, would produce newspapers equally excellent with those we now have, and at half the cost to subscribers. This is deemed to be beyond rational doubt. But the Assembly has refused to be the author of this benefit to the poor, and to be the agent of the consequent most happy influences upon the masses.

The undersigned feel the more grieved, because the Assembly, while it undertakes the work of education, and of missions, and of publishing books, and of colportage, and while it still thinks that the publishing of a cheap

religious newspaper is not within its prerogatives, should yet decline to speak kindly of the measure as a private enterprise. It has been clearly intimated, that, under the expression of the Church's kind regards this work might be accomplished. This intimation may be seen in a *Circular* issued by the Committee of the last Assembly, and also in the report of that Committee to this Assembly. It is formally embodied in this proposition of the Committee, viz.

"Whereas, the General Assembly takes a deep interest in the diffusion of knowledge, and considers the weekly religious newspaper as among the best means of its accomplishment. And, whereas the Assembly deeply sympathizes with the multitudes of families in our connexion, who are destitute of this medium of benefits, and would gladly favour any proper and practicable plan, tending to furnish a full supply, therefore,

Resolved, 1. "That though the Assembly deems it not proper for itself to embark in this enterprise, it would yet express a cordial and earnest desire, that the friends of the measure would take the matter in hand, and produce such a paper as seems to be needed.

Resolved, 2. "That the Assembly would commend to the favourable regard of the churches, such an effort, when made by any of our ministers or members, who may be considered worthy of confidence."

The Assembly having utterly declined this proposition, and every other proposition tending in any degree to forward the great end, aimed at by the friends of the measure, that is, the putting of an excellent religious newspaper, weekly, into every family in our connexion, has deeply wounded the feelings of many of the Church's most dutiful and most affectionate children. This course on the part of the Assembly leaves hundreds of thousands of those who look to us for spiritual aliment, to remain in a state of want, and exposed to the pernicious influences of a cheap and an abounding irreligious literature. It alienates from us our own children. It exposes our people to the attractions of the superior benevolence and nobler enterprise of other churches, and of voluntary associations. It in every way operates for evil.

With these impressions it becomes, under the constitution of our Church, a solemn duty to PROTEST against the decisions of the Assembly, and to ask that the same may be put on record.

DAVID MCKINNEY,
WILLIAM McMICHAEL,
SAMUEL DICKEY,
DAVID WAGGONER,
PHILO CAMP,
J. H. RITTENHOUSE.

The undersigned unite in the above Protest, so far as it complains of the refusal of the Assembly to adopt the paper incorporated in the Protest.

GEORGE HILL,
AARON WILLIAMS,
R. W. ORR,
ANGUS JOHNSON.

Overture No. 1, referred by the last General Assembly, was, on motion, taken up, and it was *Resolved*, That the Session of Mount Bethany Church be referred to the Minutes of the Assembly of 1842 for an answer to said Overture.

On motion, it was *Resolved*, That the thanks of this Assembly be presented to the Editors of the papers published in this city, for their reports of our daily proceedings; and to the Editor of the Southern Standard, for

the gratuitous distribution of his paper, containing accurate reports every morning, among the Members of the Assembly.

The Committee on Devotional Exercises made an additional report, which was accepted.

On motion, it was *Resolved*, That the thanks of this Assembly be presented to the Charleston and New York Steam-ship Company, to the Savannah and New York Steam-ship Company, the Savannah and Philadelphia Steam-ship Company, the Columbia and Charlotte Railroad Company, the Columbia and Greenville Railroad Company, the New York and Erie Railroad Company, the Seaboard and Roanoke Railroad Company, the Baltimore Steam Packet Company, the Wilmington and Raleigh Railroad Company, and the Norfolk Steam Packet Company, for the very liberal reduction of their rates of travel for the advantage of the Commissioners to this Assembly.

Resolved, That the Stated Clerk forward a copy of this resolution to these Companies, and publish the same in the city papers.

It was also, on motion, *Resolved*, That the thanks of this Assembly be presented to the citizens of Charleston, for their abounding kindness and hospitality to the members of this body; also to the Committee of Arrangements; to the Congregation of the Second Presbyterian Church, for the use of their house of worship in our daily sessions; and to the pastors and officers of the various Presbyterian, Methodist, Baptist, Congregational, Lutheran, and Huguenot Churches in this city, who have placed their pulpits at the disposal of the Assembly.

Resolved, That the Stated Clerk publish the foregoing in the city papers. The Assembly then adjourned to meet this afternoon at five o'clock.

Closed with prayer.

SATURDAY AFTERNOON, 5 o'clock, May 29.

The Assembly met, and was opened with prayer.

The minutes of the last meeting were read and approved.

On motion, the appointment of the time and place for the meeting of the next General Assembly was reconsidered, and the Central Church in the city of Philadelphia was substituted as the place, and the usual time was appointed.

An amendment to our General Rules for Judicatories was offered by Mr. Ogden, which, after discussion, was laid on the table.

On motion, the calling of the roll was dispensed with.

It was then, on motion, *Resolved*, That this General Assembly be dissolved, and that another General Assembly, chosen in like manner, be required to meet in the Central Presbyterian Church in the city of Philadelphia, on the third Thursday of May, A. D., 1853, at 11 o'clock, A. M.

Closed with singing, prayer, and the apostolical benediction.

ALEXANDER T. MCGILL, PERMANENT CLERK.

JOHN LEYBURN, *Stated Clerk.*

* The organization of this Presbytery was reported to the Stated Clerk, but as the report was sent to Philadelphia during his absence at Charleston, he could not announce the fact to the General Assembly. He has inserted it, because otherwise the names of a number of ministers and churches would not appear at all.

SPECIAL PRAYER FOR THE GENERAL ASSEMBLY.

In the Minutes of the General Assembly for the year 1821, is the following important rule, which was adopted by the Assembly.

“An overture from the Synod of North Carolina was received and read, and is as follows, viz:

“Whereas the General Assembly is the highest and most important judicatory of the Presbyterian Church; and whereas to obtain the Divine blessing on that judicatory must appear to every Christian of our denomination to be a matter of the utmost moment; therefore,

“Resolved, That this Synod do respectfully suggest to the General Assembly the propriety of recommending to all the churches under their care, to observe, annually, *the afternoon or evening previous to the meeting of that body*, as a season of special prayer to Almighty God for his blessing; that he would, of his infinite mercy, condescend to superintend and direct all their measures, deliberations, and decisions; so that all may redound to the promotion of His own glory, and the general prosperity of that particular Church to which we belong.”

NARRATIVE OF THE STATE OF RELIGION

ADOPTED BY THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES, AT ITS SESSIONS AT CHARLESTON, SOUTH CAROLINA, MAY, 1852, AND ADDRESSED TO THE CHURCHES UNDER THEIR CARE.

Beloved Brethren—

The General Assembly, in presenting to the churches the annual narrative of the state of religion within their bounds, wish them grace, mercy, and peace from God our Father, and Jesus Christ our Lord.

The General Assembly of the Presbyterian Church in the United States embraces twenty-five Synods, one hundred and forty Presbyteries, and about two thousand seven hundred churches. Two of the Presbyteries are in the States of New England, three in California, and three in Northern India. You will not expect of us even an approximation to a full view of a field so extended.

Numerous details, many of them of interest, are necessarily passed over, and must be learned through other channels. And were it in our power to present a just and full view of our beloved Zion in her external, visible aspects; could we enumerate the events and blessings that have distinguished her year's history, and trace them in their apparent bearings and influences, we should not have reached the full amount of blessing bestowed upon her. It is delightful to reflect, that of the blessings of heaven on the Church of Christ, the half is not only untold, but, in the present world, unknown. The influences of the Holy Spirit on the heart are often "as the dew of Hermon, as the dew that descended upon the mountains of Zion," silent and unperceived, though didusive and refreshing. That power which restrains the passions of men; which convinces them of sin, and converts them to Christ; which nurtures, sanctifies, and comforts the believer, is but dimly seen and imperfectly apprehended in our efforts to trace the progress of the truth.

These effects we shall only know adequately in the results which the morning of the resurrection shall unfold.

From the Reports of Presbyteries sent up to us, we are enabled to state, that during the past year many new churches have been organized, and a number of new houses of worship erected; that there is a delightful prevalence of peace and harmony in the churches; that in portions of our heritage there is a growing attachment to the doctrines and standards of our Church; that biblical and catechetical instructions are generally imparted to the children and youth; that in many of the churches the baptized children are regularly assembled with their parents, and instructed in the obligations and duties binding upon them; that Sabbath-schools are sustained in nearly all our congregations, and, in some instances, with increased interest and success; that the Shorter Catechism is systematically taught in many families and Sabbath-schools; that the Monthly Concert for Prayer is generally observed, although not with that interest and sense of personal obligation, which the importance of the object demands; that weekly prayer-meetings are regularly maintained with few exceptions, in all our churches; and that in portions of our Zion the contributions to the Boards of the Church have increased.

It is not the delightful privilege of the Assembly to report to you so numerous and powerful manifestations of Divine mercy on the churches as have gladdened your hearts and theirs in previous years. The painful fact is not to be concealed, that whilst there have been some additions to nearly all the churches, and an aggregate increase of the number of communicants, there are many portions of our Zion in which the tone of piety is low, and from which little else is heard than the voice of lamentation. Still, in the midst of deserved wrath, God hath remembered mercy. He hath not left us without some precious tokens of his covenant faithfulness. On some of our congregations the Divine Spirit has been shed forth, and souls have been converted to God. Revivals of religion are reported to have occurred in one or more churches in each of the following Presbyteries:—Ogdensburgh, Buffalo City, Elizabethtown, New Brunswick, Raritan, Ohio, Zanesville, New Albany, Indianapolis, Missouri, St. Louis, Transylvania

West Hanover, East Hanover, Erie, Beaver, Upper Missouri, Richland, Sangamon, Hopewell, Tuscaloosa, South Alabama, and Memphis.

Congregations in other Presbyteries, although not reported as having enjoyed a special revival of religion, have been cheered with marked manifestations of the Divine presence.

It is exceedingly gratifying to know that several colleges within our bounds have shared the reviving influences of the Holy Spirit. Oglethorpe and Miami Universities have been blessed with seasons of refreshing from the Lord. In Jefferson College, between fifty and sixty students have expressed hope in Christ, and others are anxiously inquiring the way to Zion.

Of the revival in Centre College, Kentucky, the Presbyterian Narrative says:—"It seemed to pervade the entire mass of the students of the College and the Grammar-school; and of all who were not professing Christians before, there were but three or four who were not visibly concerned. More than fifty are cherishing hope in Christ; forty have already joined the communion of the Church."

An interesting circumstance in connection with the revivals in these colleges is, that they began nearly simultaneously with the day of prayer recommended by the last Assembly, and observed by all the churches.

It is gratifying to record the uniform testimony borne to the efficacy of religious instruction in early life. A large proportion of those who have been brought to the saving knowledge of the truth, enjoyed the Church in their father's house. God hath not failed to set his seal of approbation on the kindly, patient culture imparted in the Sabbath-school and at the fire-side. The great mass of those who are called into the kingdom of Christ are the offspring of parents, one or both of whom were pious. One of the Presbyteries records the delightful fact, that in a revival of religion within its bounds, five youth were hopefully converted to Christ, in the space of one month, all brothers, and the sons of believing parents. Another Presbytery states as among the fruits of a revival two years ago, the conversion of three young men, who had since resolved to devote themselves to the ministry, each of whom had been given to God in early infancy by their believing parents, with special reference to this sacred calling. Three of the Presbyteries agree in the statement, that of those who had been the subjects of grace in the revivals within their bounds, more than two-thirds had received instruction in the Sabbath-school.

The Assembly notice with pleasure the efforts made to benefit the coloured population in the Southern section of the country. The multitudes of this class of people, from their singular condition, as brought to gospel privileges by a peculiar providence, constitute at home a mission field of vast importance and of most inviting character. With few exceptions, ample provisions are made for their religious instruction. To them the gospel is preached; large numbers of them are gathered into Sabbath-schools, and God has signally owned and blessed the labours of faithful missionaries and teachers among them, in bringing many of them into the household of faith.

From the reports sent up to the Assembly from the several Theological Seminaries under their care, we learn that these important Institutions are in a prosperous condition. In each of them, the endowments of the several professorships have been nearly consummated; a healthful tone of piety pervades the minds of the students; and there is rich encouragement to the hopes of the Church, that these schools of the prophets will continue to be fountains that shall annually send forth their streams to gladden the city of God, and refresh the wastes of our own and other lands.

From the several Boards, the Assembly have received reports of great interest. These reports will be published in full, and sent forth to all the churches.

The Foreign Missionary Board has stations among the Indians on our own Western borders, in Africa, India, Siam, China, and Europe. At these mission stations are fifty-five ministers in connection with our own body, who are faithfully and laboriously preaching the gospel to the benighted heathen. Connected with these are nearly a hundred American and native assistant missionaries. Many churches have been established, whose members, though not yet numerous, may be regarded as the earnest of a great harvest of redeemed souls. More than twenty-six hundred children and youth are receiving instruction in the missionary schools, many of whom, it is hoped, by the blessing of God, will become teachers and preachers of righteousness among their countrymen. Several of the missionaries are engaged in the translation and printing of the sacred Scriptures. Most urgent are the demands for enlarged efforts to give the bread of life to the millions that are perishing for lack of it. The Assembly would

earnestly commend the interests of this great cause to the sympathies and co-operation of Christians throughout their bounds.

Your Board of Domestic Missions have been diligently and faithfully employed in supplying the waste places of our land with a preached gospel. It has received into its treasury during the year the sum of eighty-one thousand dollars; has had in commission five hundred and thirty-eight missionaries; and although no special revival of religion has occurred in connection with the labours of the missionaries, nineteen hundred souls are reported to have been hopefully converted to Christ through their instrumentality.

The field of operations of the Board has been greatly extended by the addition of new States and Territories to the Union. The large State of Texas, in all its wide extent, is little else than a missionary field. California and Oregon send forth many and urgent calls for ministers and Christian men to come and gather the fruits which, on those vast fields, are ready for the harvest. The Board are exceedingly desirous of enlarging the means and extending the operations of the Church Extension scheme. The applications for aid in building churches in different parts of the country greatly exceed the ability of the Board to meet them. Only seven thousand dollars have been received for this important object during the year, and of this sum but thirteen hundred dollars was collected from the churches. It is matter of deep regret that so little interest is felt in this department of doing good, and that so few of the churches contribute to its support.

The Board of Education report that they have under their care three hundred and seventy-two youth, in various stages of preparation for the ministry in different academies and colleges within our bounds; and that increased attention is given, in many parts of the Church, to the importance of a more thorough infusion of the religious element into all branches of early education.

Parochial schools are established in a number of churches, and are in successful operation.

The department of labour committed to this Board is of a character so important, and its claims to the patronage and prayers of God's people so urgent and so just, that the Assembly feel called upon to commend it to their special regard. It has pleased God to suspend the conversion of the world on the preaching of the gospel. To supply the wants of the country, and carry out the great object of Christian missions, ministers in sufficient numbers, and with suitable qualifications, must be raised up. The rapid increase of population, the number of new churches organized, and new edifices every year erected to the worship of God, the ravages made in the ranks of the ministry by death, lay us under obligations to increased effort, and demand of us a higher scale of labour, in behalf of this Board, than that of previous years.

The Assembly rejoice to learn, that in many parts of our Zion an increased interest is manifested in the labours of the Board of Publication. The receipts of the Board for the year have been ninety-seven thousand and sixty-three dollars; the number of copies of books and tracts published eight hundred and eighteen thousand two hundred and fifty, being an increase of three hundred and eighty-eight thousand over the issues of the previous year. The Board have had in their employ during the year one hundred and forty colporteurs in twenty-five different States of the Union. These colporteurs have been well received, and they have found much to encourage and cheer them in their assiduous and self-denying labours.

The excellent books and tracts which they bear with them have been received with favour, and, in many sections, they have found a readiness and demand for them beyond what they had anticipated. The object of the Board is to diffuse among the people a healthful religious literature, in an attractive form, and so cheap that it may be within the reach of all. Upon the importance of this object we cannot place too high an estimate. If prosecuted with vigour and perseverance, its influence must be felt in purging the literature so popular and current with the masses, of whatever is vicious; in conserving a sound doctrinal faith; in creating and immeasurably satisfying a thirst for instructive, religious reading. It is gratifying to know that this important object has, to a good degree, the sympathy of the churches; and the Assembly would earnestly commend the Board, in its labours, to the affectionate and liberal co-operation of the friends of Christ throughout their bounds.

The Assembly have been gratified with the presence of delegates from the General Convention of Vermont, the General Conference of Maine, and the Evangelical Conso-ciation of Rhode Island. It is with great pleasure the Assembly have learned from these delegates that the past year has been one of religious prosperity within the bodies

which they represent; that a number of the churches have enjoyed precious revivals of religion; that in these glorious effusions of the Holy Spirit several academies and higher religious institutions have shared; that, in general, the tone of piety in the churches is elevated, and that a deeper interest is felt in the great missionary enterprises of the day, both foreign and domestic.

After this brief sketch of the mercies of the Lord, we must notice some things in the history of the year, that fill our hearts with grief. Many of the Presbyteries speak of the wide moral wastes within their bounds, and the numerous unanswered calls from their vacant territory, particularly in the South and West. In the vast field over which we extend our vision, we bless the Lord that there are some spots of green verdure, which we may contemplate with delight; but we must not close our eyes to those extended tracts which are uncultivated and barren, and on which neither dew nor rain descends. There are multitudes of churches which are destitute of the stated ministrations of a preached gospel. Thousands in this land are perishing for lack of knowledge; thousands suffering a famine, not of bread, but of hearing the word of the Lord. And even in the midst of gospel privileges, we behold very many and very large portions of our Church in a state of deplorable, spiritual apathy. The same rain and sunshine that ripen the wheat for the garner of the great Husbandman appear to be ripening the tares for the unquenchable flame. We have painful evidence of sad declensions among many of the professed followers of Jesus Christ. In very many of our churches the past year has been a season of chilling indifference to divine things. Seasons of love and life, and zeal and self-denying devotion in the service of Christ, have given place to a cold Phariseeism, formality, and a love of this vain world. Nor must we conceal the painful fact that the oft-repeated complaints of Sabbath-breaking, profane swearing, and intemperance have again come to our ears from various quarters of our land, and, in some instances, with an emphatic apprehension, that notwithstanding the laudable efforts made to arrest the progress of these ruinous evils, they are increasing with an alarming rapidity. These things are for a lamentation, and call for profound humiliation before God; and while the Assembly make the sad record with shame and unfeigned sorrow, they would raise their warning voice, and charge it upon the churches that they open their eyes to these abounding iniquities; and upon every minister and every private member to take heed to a safe personal example, and to use all his influence to arrest these prevalent sins.

In concluding this summary reference to events of the year, the Assembly must advert to one consideration of great solemnity, and which is fitted to quicken our zeal and faithfulness in our Master's service. Although the harvest is plenteous and the labourers are few, it has pleased the Lord, in his inscrutable providence, to remove by death a number of our most beloved and useful brethren in the ministry. Thirty-four of the watchmen on the walls of our Zion have fallen during the year. Whilst we cherish an affectionate regard to their memory, the dispensations admonish us that life is short, and that what we have to do must be done quickly. Impressed with the solemn conviction that the work given us to do is great, and the period of labour short and uncertain, the Assembly, in closing their Narrative, would earnestly exhort every minister and every member of the Church to increased diligence and fidelity in the work of the Lord. "Whatever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom in the grave whither thou goest."

Abstract of the Annual Report of the Board of Missions from May 1851 to May 1852.

I. THE STATE OF THE TREASURY.

It has been a year of embarrassment, owing to the fact that the loss and disbursements of the preceding year absorbed its entire income, with the exception of a very small bal-

ance. The increase of that year being but \$3769; whereas, to meet the enlarged and enlarging operations of the Board, the increase should have been between \$10,000 and \$15,000. The debt of the Board in August last was over \$10,000, and in November over \$15,000. But the year closes much more favourably than we at one time anticipated.

Total receipts from all sources for *eleven* months: (the present Report owing to a change in closing the year extends over eleven months only,) is \$81,748 98

Amount paid out for same time,	\$78,883 89
Drafts drawn and not presented, April 1,	623 80
	<hr/>
	79,507 69

Leaving a balance in favour of the Board in all the Treasuries, of \$2241 29

Against this, is a note in Bank, and appropriations to missionaries due and unpaid on the 1st of April about \$7141 78; which leaves the Board in debt on the 1st of April 1852, \$4900 49; or we may say \$5000. The estimate may be *too low*.

We have, then, for eleven months, \$81,748 98.

Against twelve months, the last year, \$82,818 51. We are, consequently, short \$1,069 53. Should the receipts for April, 1852, equal the receipts for April, 1851, we shall be *ahead* of the income last year, but not sufficiently so to pay our debt of \$5000 and make the Treasury easy; and unless the churches come up more liberally than heretofore in the summer and autumn, we have no other prospect than that of continued embarrassment; and, in that event, *the expenses of the Board must necessarily be reduced, to clear itself of a debt agreeably to the rule of the General Assembly.* We hope, however, for better things, in God's mercy, and in his people's fidelity.

II. OPERATIONS OF THE YEAR.

The number of missionaries in commission are given for one year from April 1, 1851, to April 1, 1852, and compared with the previous year, from April 1, 1850, to April 1, 1851. In commission April 1, 1851, 341; added to April 1, 1852, 197;—making a total of 538, and *fifty-three less than the year before.*

There are a number of names on the registers, that should not be there at all, as they serve churches abundantly able to support them without assistance. The Board is endeavouring to relieve the registers of these names as fast as possible. *We cannot expand without doing this just work.* A diminution of our lists, therefore, under these circumstances, will argue no diminution of our *missionaries.* The Board is glad to report between forty-five and fifty churches gone off to sustain themselves the past eleven months. We wish we could report five times the number. *The more off in this way, the better.*

The number of churches and missionary stations wholly or in part supplied, has been, as far as reported, 1101, newly organized churches 49, admissions on examination 1919, on certificate 1665, making a total of admissions of 3584; number in communion with churches connected with the Board 24,082, Sabbath-Schools 643, teachers 4356, scholars 27,637, baptisms 2367, houses of worship erected or finished 79; of 538 missionaries in commission 121 sent in no special report! These are the returns for *eleven* months, and while the additions to the churches and the aggregate in communion do not equal the 12 months of the preceding year, yet the number of Sabbath-Schools, and of scholars and teachers, and the number of baptisms and houses of worship erected, are in excess. The results are gratifying, and while we have had no general outpouring of the Spirit of God, yet we have been cheered with revivals from time to time, and the seal of God of 1919 conversions shows that his favour abides upon us. *This is the seal above all others desired by the Assembly;* and it fills the hearts of our zealous and laborious and devoted brethren in the field, with joy.

Although a year of embarrassment, yet the Board has kept steadily in view the wishes of the Assembly, and have appropriated all their savings to the *reinforcement and enlargement of the Church.* Two ministers were sent as a reinforcement to *Texas:* one to *California,* and one to *Oregon.* *The Presbytery of Oregon was constituted in Nov. 1851,* and the General Assembly at its present meeting ordered the constitution of **THREE NEW SYNODS!** *The Synod of the Pacific, the Synod of Iowa, and the Synod of Arkansas;* all owing their existence mainly to the Domestic Missionary operations of the Assembly, Here is expansion! *We have reached the shores of the Pacific and constituted a Synod there!* Let the whole Church arise and give thanks to God!

We have also planted our *first* missionary in *Minnesota*. We are straitened in all the western and south-western States for want of men and means.

The *Religious Institution of the Coloured Population* has been kept prominently before the Board, and much progress is made in this good work. Our most promising efforts on their behalf are in the Southern states.

A few missionaries have been employed among the Germans. The foreign population calls loudly on American Christians for sympathy and aid. Many of our large cities present fields of as pure missionary labour as are to be found anywhere.

The usual amount of clothing has been contributed by our benevolent females, for the supply and comfort of our missionaries.

The scheme of CHURCH EXTENSION deserves to be again seriously urged upon the attention and support of the churches. It has been eight years in existence. Amount contributed by the churches \$10,922, or only \$1365 annually!! Amount distributed by the Church Extension Committee in the same time, \$41,923, leaving a balance unsupplied by the churches of \$31,001!! How has this large sum been made up! BY INDIVIDUAL DONORS! How have the churches fallen short!

This fund was in debt for appropriations in Nov. 1850, \$8460. No new appropriations have been made since that time. We are happy to report the Church Extension Fund free of debt on the 1st of April, 1852, within \$303.12. This balance has since been paid. The receipts for 11 months \$7101.40, of which \$2376.60 were contributed by the churches, and \$4,224.80 by individuals. Sixteen houses of worship were aided to completion, and thirteen received assistance by special donations sent through the committee for the purpose.

Is there a necessity for this scheme! Let the facts speak! Every Synod (22) in our church has applied for and received aid from the Church Extension Fund! Of 129 Presbyteries, (5 foreign not counted) 97 have applied for aid; and 86, or two-thirds of the whole number have received it! What means this almost universal application for aid, if there be no necessity!

Is the scheme feasible? Nothing to impede its progress but want of support.

Has it been successful? 231 houses of worship aided to completion, demonstrates its success.

What are its benefits? It awakens numerous organized churches to the duty of building houses of public worship for themselves. Gives firm establishment and success to newly organized churches in new and missionary fields; promotes the temporal welfare of communities, and gives them permanency—honours and advances the church—and secures conveniently the great design we have in view, the salvation of souls and the edification of the body of Christ.

Our Church has *lost ground*, and is *now losing ground*, for want of more aid in this good work! How can Synods and Presbyteries expect the scheme to live—and themselves be benefited by it, if they all draw out more than they put in? WHAT WE DO AS A CHURCH, WE MUST SUSTAIN AS A CHURCH. No other principle or action will do. Our dependence for all our schemes must be on the contributions of the churches, and not upon individual donations and legacies.

Agencies.—There have been no agents employed on the Atlantic slope—the Board has found it extremely difficult to obtain suitable agents. They are needed. The domestic missionary work in which the Assembly is engaged was presented before eleven Synods during the year. The Rev. B. T. Lacy was agent for Church Extension in the Synod of Virginia for 6 months. The Rev. J. F. McLaren has been employed during the year in the Synods of Ohio, Wheeling and Pittsburgh. The Rev. C. Sturdevant and Rev. C. Leavenworth were employed by the Western Executive Committee, one for the whole, the other for a part of the year. Rev. D. L. Gray was exploring and missionary agent in the Synods of Memphis and Mississippi; and Rev. J. D. Mason a part of the year in Iowa. All have done much good.

The Western Executive Committee have conducted the affairs of the Board intrusted to it, with promptness, ability, and energy during the year; especially have they been energetic in carrying out the resolutions of the Board for reducing improper appropriations, and getting rid of churches that ought to draw nothing from the missionary funds of the Church. We look forward to the day when this Committee will be able to sustain all the missions within the field assigned it, without being dependent for aid upon any other part of the Church. The Lord hasten it in his time.

III. THE THIRD division of the Report, of very special value and importance, embracing a brief review of the mode of carrying on the domestic missionary work by the Church;

from its first establishment in the country to the present time; the principles upon which the General Assembly has conducted the work, and the evils which have incidentally appeared in the Presbyteries and churches, and the Board itself, in the progress of the work, cannot well admit of an abstract; and we must refer our readers to the Report itself. For so much as relates to the principles upon which the Assembly conducts the great work, see Minutes of Assembly pp. 215, 216.

IV. *Conclusion.* The year has witnessed a growing interest in the work of Domestic Missions, evidenced in the acts and doings of Synods and Presbyteries, and by the increased contributions of the churches. The conviction is deepening, that it underlies the growth and establishment of our Church; the purity, prosperity, and happiness of our country. And for the conduct of this work, our Church possesses peculiar advantages: such as, our ecclesiastical organization, and action through a central committee; unity of views and feelings; mutual confidence and warm affection pervading the whole Church; general intelligence; no anti-missionary spirit; soundness in doctrines; the confidence of the people; and up to the present time, the smile and approbation of the God of missions—we have been prospered.

Our obligations are manifold and great to sustain and advance the work. We are under obligations as disciples and ministers of the Lord Jesus Christ; and we are under obligations to the branch of the Church with which we are connected, and also to the Church general and militant. Let us not be found wanting: but, by the help of God, we will gird on our armour, and quit ourselves like men.

Abstract of the Annual Report for 1852.

PART I. The first part of the Annual Report, after alluding to the usual mortality among our ministers and to the decline in the number of young men seeking the ministry, points out some of the causes which affect the decline in the number of candidates. 1. The sovereign good pleasure of God must be acknowledged in all our approaches towards the arcana of this subject. 2. The sins of the Church. 3. The prevalent low state of religion. 4. Imperfect household training. 5. Inadequate measures of public education. 6. The small salaries of ministers. 7. The want of steady and persevering attention to this whole subject on the part of the ministry. 8. The neglect of prayer. The special injunction, "Pray ye the Lord of the harvest" is practically in such disrepute that the small number of our candidates cannot be wondered at.

II. The second part of the Annual Report gives an account of THE OPERATIONS OF THE YEAR.

CANDIDATES.—The number of candidates received during the year has been—

During the year *forty-eight* candidates are known to have finished their course of study. The aggregate number, as compared with last year, shows a diminution of *sixteen*.

INSTITUTIONS OF LEARNING.—The number of *parochial* schools, so far as ascertained by the defective reports of Presbyteries, is 92. The number of *Presbyterial Academies* is 41, and of *Synodical Colleges* 11. Several revivals of religion have occurred during the year in these institutions, and general prosperity seems to attend them.

TEACHERS AND MISCELLANEOUS DEPARTMENT.—The Board are assisting in the education of *six* young men, most of whom are expecting to become teachers. The funds of this department are specially designated to its objects.

AGENCIES.—The agencies are the same as last year. The Rev. Mr. Speer has laboured in the Pittsburgh field; and the Rev. Dr. Wood in other parts of the West. Dr. Chester has, as usual, exercised a general superintendence.

Of the above balance, \$100.00 belongs to the *African fund*; and a considerable portion of the remainder has been already paid to meet the obligations due for the May quarter.

III. The third part of the Annual Report discusses the question, "WHO ARE THE PARTIES TO EDUCATION?" The main object in this discussion is to vindicate the Church as one of the parties in education; but the general position taken, is that parents, the Church and the State are respectively concerned in this great matter, each within its sphere.

Parents have the primary responsibility, whether education is conducted at home or in public institutions.

The Church is a party to education, 1. Because the true objects and nature of education necessarily include the inculcation of religion. 2. Teaching is one of the functions of the Church. 3. Children are considered by our standards as members of the Church, and under her care. 4. The ordinance of baptism justifies the Church in establishing for her children religious institutions. 5. The Church has a great interest in the work. 6. The Church is able effectually to superintend and to promote the work. 7. The history of the Church proves it to be a lawful party in the training of the rising generation. 8. The revelations of eternity will confirm the important relations of the Church to education.

The State is acknowledged to be a party to education; but the State has not only no monopoly in the work, but its authority is properly inferior to that of both parents and the Church.

In conclusion, the Report gives a few reasons for the vigorous prosecution of the Assembly's measures of public education. 1. Our covenant obligations. 2. The vindication before the world of the rights of the Church, as a party to education. 3. The influence of the Assembly's measures upon the State system. 4. The prosperity of our Church. 5. The interests of the other parties to education will be promoted by the sympathies, zeal, prayers and efforts of the Church on this great subject.

CHINA MISSION.—Canton, Ningpo, and Shanghai; the Rev. Messrs. A. P. Happer, J. B. French, R. Q. Way, J. W. Quarterman, H. V. Rankin, S. N. D. Martin, W. A. P. Martin, M. S. Culbertson, J. K. Wight, and J. Byers; Messrs. D. B. McCartee, M. D., and M. S. Coulter; eleven females; a teacher, and the wives of missionaries; church members reported, 19; in the schools, 206 pupils—of whom 87 are boarders; issues of the press, 2,808,160 pages. These missions are also attended with marked encouragement and call for additional labourers.

EUROPEAN MISSIONS: among Romanists, in *Hungary, Italy, France and Belgium*. Moneys have been remitted as in former years for the support of native ministers and colporteurs. The sum of \$4500 was thus expended last year.

MISSION TO THE JEWS.—At *New York, Philadelphia and Baltimore*, the Rev. Messrs. J. Neander and B. Steintal, and Mr. F. J. Neuhaus, a licentiate preacher, have continued to labour among their kinsmen according to the flesh. The health of the Rev. M. R. Miller having become impaired, he has resigned his appointment in this mission.

Particular details of these Missions cannot be given in this brief abstract; but their general condition is undoubtedly cheering to the friends of the missionary work. Notwithstanding some severe afflictions, the favour of God's providence is manifested towards them in a marked degree. What appears now most to be required is the outpouring of the Spirit of grace on our missionary brethren, their congregations and schools, so that the work of conversion may be witnessed in a still more remarkable degree. For this object, the powers of the churches should be offered without ceasing.

Abstract of the Annual Report of the Board of Publication, May, 1852.

The operations of the Board show an increase in the number of its publications, sales, and receipts as donations, over any previous year. During the year ending March 31,

1852, the Board have added to their catalogue 27 new books (two of which are in the German language), of which they have printed 67,750 copies; and 33 new tracts (one of which is in the French language), of which they have issued 115,000 copies. They have also printed 30,000 copies of the Family Almanac for 1852. The whole number of copies of new publications during the year is 212,750. This is 73,000 copies more than the issues of the preceding year.

During the same period they have published new editions from stereotype plates to the amount of 605,500 copies of books and tracts, being 315,000 more than the year before. Total number of copies of books and tracts published during the year, 818,250, being an increase of 388,000 copies over the former year.

They have also published from March, 1851, to April, 1852, twelve months, 676,000 copies of the Presbyterian Sabbath-School Visitor, a strictly religious semi-monthly paper for children. This periodical is steadily growing in the confidence of parents and teachers, and in the affections of children. Thirty-four thousand copies are now published semi-monthly.

RECEIPTS FOR THE YEAR.

The receipts for the year show a very encouraging increase. The sales have amounted to sixty-six thousand five hundred and thirteen dollars and seventy-two cents, or more than six thousand five hundred dollars over the amount reported last year. The donations received for colportage and distribution have amounted to \$17,996 89, including a legacy of \$825 33, being an excess of \$7,705 70 over last year. Total excess of receipts of both departments over last year, \$14,219 42, including the legacy just specified. Total receipts, \$84,510 61.

The mortgage on the real estate has been paid off, so that the property is now entirely free from debt.

AGENTS.

The Rev. Joseph Mahon has continued his labours in the South, and the Rev. Simeon Brown in portions of the West. The Rev. J. Y. Alexander has been appointed Superintendent of Colportage for Georgia, Florida, and portions of South Carolina.

COLPORTEURS AND COLPORTEUR LABOUR.

There have been one hundred and forty-one colporteurs employed during the year, in twenty-five different States, viz:—In Massachusetts, 1; Connecticut, 4; New York, 14; New Jersey, 11; Pennsylvania, 20; Delaware, 1; Maryland, 2; Virginia, 2; North Carolina, 12; South Carolina, 1; Georgia, 9; Florida, 1; Alabama, 1; Mississippi, 3; Texas, 6; Arkansas, 1; Tennessee, 8; Kentucky, 3; Missouri, 1; Iowa, 2; Wisconsin, 3; Illinois, 4; Michigan, 1; Indiana, 11; Ohio, 21.

Of these, one has been employed jointly in New Jersey and Georgia—one in Alabama and Tennessee—and one in Mississippi and Missouri.

The Synods of Virginia and Pittsburgh are still conducting their operations as independent auxiliaries of the Board, with efficiency and success.

AGGREGATE OF COLPORTEUR LABOUR.

The following are the aggregate amounts of labour performed during the past year by the one hundred and forty-one colporteurs, viz:—Time spent, 35 years; families visited, 64,526; conversed or prayed with, 22,838; families having no religious book but the Bible, 2212; Presbyterian families without the Confession of Faith, 2772; volumes sold by colporteurs, 71,150; volumes granted by colporteurs, 5506; pages of tracts distributed by colporteurs, 581,956.

DONATIONS.

Donations, to a considerable extent, have been made during the past year, in addition to those made through the colporteurs. More liberal contributions from the churches would enable the Board still more effectually to scatter abroad their publications in places where they would probably accomplish much good.

The grants of the year have been as follows:—Sabbath-schools, 869 volumes; ships-of-war, naval and military posts, 397 volumes; humane institutions, 68 volumes; literary and theological institutions, 2210 volumes; indigent ministers, 1293 volumes; feeble churches, 1355 volumes; individuals for gratuitous distribution, 336 volumes; and also, 175,190 pages of tracts, independent of the donations of tracts made by colporteurs.

Philadelphia, May 6th, 1852.

From the Minutes,

JAMES BAYARD, Secretary.

REPORT OF THE SPECIAL COMMITTEE

ON THE FINANCIAL CONCERNS OF THE PRESBYTERIAN CHURCH.

The Special Committee on the Financial concerns of the Presbyterian Church, appointed by the last General Assembly, with instructions "to report to the next General Assembly full information in relation thereto, stating distinctly under appropriate heads all the funds belonging to the General Assembly, whether for the purposes of the Church or for the Theological Seminary at Princeton, how they are invested, and what deficiencies are found in each," respectfully report:

That they have examined the books of the Treasurer, the Reports of the Trustees of the Assembly and the printed Minutes for the last twenty years. They find that prior to the year 1830 the items of receipts and disbursements were entered promiscuously in a common day-book, and in that year the Assembly required a report of the state of the several funds to be reported. This order was not complied with until 1832, when a report was made and ordered to be printed in the appendix to the minutes—by which it appeared that the whole amount of funds was \$145,482 invested in Stocks and Mortgages.

In May 1833 the Trustees made a detailed report to the General Assembly, exhibiting the state of the funds, the difficulties under which they laboured, and the deficiencies which had arisen, owing to the General Assembly having anticipated the means furnished by the churches, and their having appropriated annually for contingent expenses, and for the support of the Theological Seminary at Princeton larger sums than were received for those objects; in consequence of which the Trustees had been compelled to borrow from the permanent funds sums sufficient to meet those appropriations—and that the annual income of all the funds invested was insufficient to meet the necessary expenses of the Assembly and the Princeton Seminary—the whole amount of the funds then being \$161,626.80, of which \$33,500 was invested in mortgages, \$124,129.80 in stocks, and \$4000 in promissory notes, and thereupon the General Assembly passed a resolution that "the Trustees be requested to consider whether safe investments of the funds, or a part of them, may not be made so as to produce a higher rate of interest than they now yield, and if so, they are advised to endeavour to effect a change of stocks."

In compliance with this resolution, and in the exercise of the discretion vested in them, the Trustees, between this period and the 2d of April, 1835, sold Pennsylvania fives, Philadelphia Bank, and United States Bank Stocks to the amount of \$94,606 21—and purchased stocks of the Merchants and Manufacturers Bank of Pittsburgh, the Merchants and Mechanics Bank of Wheeling, the Bank of Louisville, the Union Bank of Tennessee, the Bank of Mobile, the Planters Bank and the Agricultural Bank of Natchez to the amount of \$95,669 53—a change which at the then rate of dividends paid by the last mentioned banks, increased the annual income \$2660 beyond that produced by the stocks sold. And in the course of the year 1835 they sold other stocks and property to the amount of \$29,989, and invested \$27,106.25 in stock of the Planters' Bank of Tennessee; \$8000 in paying up instalments on stock already purchased, and \$4000 in mortgage, securing a further present increase of income of \$886.14.

The Trustees having reported the above financial transactions to the General Assembly in 1836, the Finance Committee of the Assembly reported among other things as follows; "The subject of investments in stocks is much better understood by the Board of Trustees than by your Committee, and the Committee believe the Assembly may place the most implicit confidence as well in the judgment and skill as in the prudence of the Trustees in relation to this whole subject. They therefore only suggest to them, that while it is of importance to secure the increase of revenue, which the new investments in bank stock have yielded, and promise to yield in future, yet a due regard is to be had to the safety and permanency of those investments; and taking into consideration the highly important interests dependent upon such security, that greater risk ought not to be run than would be incurred by a prudent man, whose family with himself might be dependent upon the investments. The Committee therefore recommend the following resolutions:

"Resolved, That the General Assembly approve of the proceedings of the Board of Trustees as detailed in their report of the 10th of May last, and direct the Stated Clerk to transmit a copy of this report and these resolutions to that Board as containing the opinion of the Assembly upon the subjects herein mentioned."

In 1837, the Trustees reported that they had made further investments in bank stocks to the amount of \$11,008.78, to wit, the United States Bank, Grand Gulf Bank of Mississippi, and the Bank of Vicksburg—and that the whole amount invested was, in mortgages \$33,500, in stocks \$137,770.69, in notes \$4000.

In 1838, they reported the investment of \$3,931.44 more, in Vicksburg Bank stock.

In 1837 that re-action commenced in the financial affairs of the country which, in its progress through the few succeeding years, greatly depreciated the value of all kinds of stock, and swept away many of the banks, involving eventually in its consequences a very large loss to the funds of the General Assembly. That it was unanticipated by the Board of Trustees when they made their large investments, and unforeseen in time to escape its disasters, is only to say that, like other men, they could not look into futurity.

In 1842, the total loss sustained by depreciation of stocks was estimated at \$83,089.01, taking the stocks then held at their estimated value.

And it appears that, up to 1843, the amount borrowed from the Permanent funds to meet expenses ordered by the General Assembly to be paid, for salaries of the Professors of the Princeton Seminary chiefly, over and above the funds in the hands of the Trustees available for that purpose, had amounted to the sum of \$21,017.57, which sum was subsequently reduced by payments, to \$19,320.51.

In 1848 the Trustees reported that they had sold stock of the Merchants and Manufacturers Bank of Pittsburgh to the amount of \$12,023.87, and the General Assembly expressed an opinion "that the Board should change the investments from stocks to that of real securities, at as early a period as at all consistent with the interests they represent"—which opinion was again expressed by the Assembly in 1849.

In 1850, the Trustees reported that they had sold a large amount of stocks, realizing from them the sum of \$42,265.74; and in 1851 they further reported the sale of stocks to the amount of \$12,571.46. Leaving only on hand the stocks of the Planters and Agricultural Banks of Natchez, and a few shares of the United States and the Grand Gulf Banks, of very little value.

The mode in which the books of the Treasurer have been kept, rendered it impossible for your Committee to trace in detail the history of each particular fund, from its commencement. For, although the amounts received from time to time are regularly entered, yet they were invested indiscriminately with the other funds, and carried to the general account of funds invested. The result of this was, that whatever losses occurred by drafts for the purposes of Professors' salaries, &c., and in the purchase and sale of securities, were liable to fall generally on all the funds without any designation.

In 1835, however, and subsequently, this was so far changed that the stocks and other securities held were apportioned among the several funds—and, although no distinct and separate account is even yet kept in a ledger regularly posted up of the amounts due, received, and paid, on account of each fund—yet your Committee has been enabled from the books, and with the assistance of the Treasurer, to ascertain, they believe accurately, how each fund has been affected by past transactions, and what amount of the present investments belongs specifically to each of the several accounts. The result of their labours will be found in *Schedules 1 to 49 inclusive*, appended to this their report.

Schedule No. 50, contains the general account of assets reported by the Treasurer to the last General Assembly, amounting to the sum, nominally, of \$194,357.29—the present real value of each item of these assets, being \$108,406.65, and how the same is invested; and exhibits the loss or gain on each of said items. This account shows a total loss on the whole account of \$85,950.64.

Schedule No. 51, shows 1. The nominal amount of each specific fund as reported by the Treasurer to the last Assembly 2. The real amount remaining to each fund after deducting the losses sustained; and 3. The losses each fund has sustained.

Schedule No. 52, shows the actual amount of funds now held by the Trustees of the Assembly, the income of which is applicable to other purposes than those of the Theological Seminary at Princeton—being \$22,805.55.

Schedule No. 53, shows the actual amount of funds now held by the Trustees of the General Assembly, the income of which is applicable to the payment of salaries, and the purposes of education in the Theological Seminary at Princeton—being \$85,601.10.

Schedule No. 54, shows the amount of funds held by the Trustees of the Theological Seminary at Princeton, the income of which is applicable to salaries of Professors and purposes of education—being \$78,871.65.

Schedule No. 55, shows the whole amount of funds held by the two Boards of Trustees,

the income of which is applicable to the payment of the salaries of Professors in the Theological Seminary at Princeton.

From these accounts the following results appear :

The funds and good investments in the Treasury of the General Assembly amount to	-	-	-	-	-	\$108,406.65
The funds and good investments in the Treasury of the Seminary	-					78,871.65
Making in all	-	-	-	-	-	\$187,278.30
Of the above sum there is applicable to Professors' salaries	-					\$109,038.65
And to purposes of education at the Theological Seminary as per						
<i>Schedule No. 56</i>	-	-	-	-	-	55,434.10
To missions and and other purposes	-	-	-	-	-	22,805.55
						\$187,278.30

The General Assembly will perceive, that for the purpose of refunding to other Scholarships sums which had been borrowed to meet the wants of the Seminary, they have absorbed the funds belonging to the ——— Scholarship, and have drawn \$1223.23 from the Students' Fund : these two funds being held generally for purposes of education at the Seminary, and not in trust for specific Scholarships, may be thus applied without any impropriety.

For such particular remarks in relation to the several funds held by the General Assembly, as it was deemed necessary to submit, reference is made to the Schedules Nos. 1 to 49 inclusive.

The Assembly will perceive some discrepancies between the original amounts of several of the funds, and the amounts of the same as reported to the last Assembly by the Treasurer, which is accounted for by the circumstance, that the Treasurer's statement is founded upon the balances remaining on the books after some of the early losses and overdrafts had been charged up and deducted.

The Committee believe the funds now in the hands of the Trustees are securely invested.

The Committee have to acknowledge their indebtedness to the Trustees of the General Assembly and the Treasurer for all the assistance and facilities it was in their power to afford in aid of the investigation.

The Committee are deeply impressed with the importance of hereafter keeping the accounts of the several funds separate and distinct from each other. Many of the funds are held in strict trust, and ought to be managed accordingly as such. And to this end they recommend that the Trustees be advised to cause separate accounts for each of them to be opened—adopting this report as the basis—and crediting to each fund specifically its portion of the present securities on hand ; so that if any losses should hereafter be sustained, they may be charged to the fund holding the security upon which it accrued.

The whole number of matriculated students that have been upon the roll during the year is *one hundred and thirty-three*; besides whom, graduates of this and other Seminaries have been in attendance during the whole or a part of the session.

The state of religious feeling in the Seminary, the Professors report, "appears to be much the same as at the last report. The meetings of the students for devotion have been frequent, and in general well attended. Their conduct, in the main, has been exemplary, and has furnished no occasion of censure to the Professors. The number of those who have the foreign missionary work in prospect, is smaller than it has been at some previous periods.

At the close of the session, which has just taken place, the students were examined for a week, in the presence of a committee of the Board. The committee reported to the Board, their "pleasure in the evidence afforded of the faithfulness of the Professors, and of the diligence and proficiency of the students."

Certificates of having finished the whole course of three years, prescribed in the Plan, were conferred on the following *forty* young men, viz., John F. Baker, David Beattie, Michael H. Bittenger, Alfred P. Botsford, Elias S. Bronson, Robert F. Bunting, Henry B. Burr, Joseph H. Calvin, William C. Cattell, Albert Chamberlain, James N. Crocker, Robert A. Criswell, Robert Cruikshank, Edwin Emerson, Ebenezer D. Finney, Robert B. Foresman, Joseph C. Foster, William A. Harrison, John L. Howell, Joel Huntington, James H. Leaps, Allan McFarland, George McQueen, George K. Marriner, John A. Mearns, Philip W. Melick, John H. Moore, Joseph E. Nassau, Robert Price, Edwin B. Raffensperger, J. Price Safford, James Scott, Charles H. Taylor, Henry L. Vannuys, Marcus J. Wallace, Henry Walsh, Robert Watts, Richard F. Whilden, Jacob W. Winans, and George S. Woodhull. The Board are happy to remark, that this is the largest class that has ever completed the full course in the Seminary.

The Board would report to the Assembly, that the Rev. William Henry Green, who was elected by the last Assembly, Professor of Oriental and Biblical Literature, accepted his appointment; and that he was inaugurated by the Board, September 30th, 1851.

The Board have the painful duty of reporting to the Assembly, that it has pleased Divine Providence since their last report, to remove by death, the venerable Professor, the Rev. Dr. Archibald Alexander. He departed this life, October 22d, 1851. In consequence of his death, a special meeting of the Board was held, November 18, 1851. At that meeting the following minute was adopted, in relation to the death of Dr. Alexander.

The deceased was born April 17, 1772, and departed this life, October 22d, 1851. For more than thirty-nine years, he was a Professor in this Seminary. In noticing his death, the Board express its deep sympathy with the family of the deceased, and with the Church of God, thus bereaved. The loving-kindness of the Lord, in raising up so efficient and honourable an instrument of good to this Seminary, during all its early history, has been great, and demands our lively gratitude. His personal relations to his brethren in the ministry were uniformly pleasant; his labours were abundant, judicious, and successful; his piety was fervent, humble, and scriptural; his spirit was eminently tender, devout, and evangelical; his counsels were wise, and practical; and his zeal in his Master's cause remained unabated to the end of his life. It is particularly due to the honour of divine grace, that we should record, that Christ was graciously with him to the last, and enabled him to leave the world in a manner every way desirable; and at a time judged by himself, not only proper, but in all respects the best time. We cannot doubt

that he has departed to be with Christ, which is far better than the lot of any of God's servants on earth.

To supply, until the meeting of the Assembly, the deficiency in instruction occasioned by the death of Dr. Alexander, the Board at the same meeting, with the approbation of the Faculty, made the following arrangements, which have been carried out, viz: That Pastoral Theology be deferred to the next year, as the present First Class have had Dr. Alexander's lectures on that subject; that Professor Green hear recitations on the Evidences of Christianity; that Dr. J. Addison Alexander read his father's lectures on Moral Science to the Third class; that Dr. James W. Alexander be requested to deliver his course of lectures on the Composition and Delivery of Sermons; that Dr. Hodge lecture on Church Government; and that Polemic Theology be merged, for the session, in the department of Ecclesiastical History, and Didactic Theology.

The Board at their present meeting, passed the two following resolutions, viz:

Resolved, 1. That it be recommended to the General Assembly, to transfer Polemic Theology, from the Professorship of Pastoral Theology, Church Government, and the Composition and Delivery of Sermons, to the Professorship of Exegetical and Didactic Theology.

Resolved, 2. That the General Assembly be requested so to alter Article VI. Section 10, of the Plan of the Seminary, in respect to the vacations, as that the term of vacation be extended to sixteen weeks.

The Board have to report, that since the meeting of the last Assembly, it has pleased Divine Providence to remove one of their members by death. Mr. Alexander Symington departed this life, February 9th, 1852. One year of the time for which Mr. Symington was elected remains unexpired.

The Board have only further to report that the term of office of the following Directors expires during the sessions of the Assembly, viz:

Ministers.

Gardiner Spring, D. D.
William D. Snodgrass, D. D.
Joseph McElroy, D. D.
George W. Musgrave, D. D.
Samuel Beach Jones, D. D.
William S. Plumer, D. D.
Thomas L. Janeway, D. D.

Elders.

Hugh Auchincloss,
Alexander W. Mitchell, M. D.
Stacy G. Potts.

All of which is respectfully submitted.

Signed by order of the Board.

Princeton, May 18, 1852.

2. On Expense Fund,	137 20
3. On Education Fund,	1,442 97—\$2,239 38

In consequence of a resolution of the last General Assembly, recommending to the Directors and Trustees of the Seminary to adopt speedy and energetic measures to complete the endowment of the Seminary, the Trustees, at a meeting in September last, appointed a committee to carry out this object. The sum understood to be necessary fully to endow the Seminary, was \$20,000. They are happy to report, that nearly this sum has been raised by a few individuals chiefly in the City of New York. Their names and the sums respectively subscribed, are as follows:

James Lenox	\$10,000
Miss Lenox	1,000
Miss H. A. Lenox	1,000
R. L. and A. Stuart	3,000
William Rankin, (Newark)	1,000
James Donaldson	500
Mrs. Maitland	500
John C. Green	1,500
Mrs. Kennedy	250
Mrs. Sheafe	200
Hugh Auchincloss	100
Mr. Terbell	200
Mrs. Terbell	100
George Douglass (L. I.)	250
Edward S. Jaffrey	200
Total	\$19,800

Of this sum \$18,800 have been paid, all of which has been invested except \$800. These subscriptions were made on the same conditions as those collected by the agency of the Rev. Dr. C. Van Rensselaer.

Rev. Professor William Henry Green has been appointed Librarian in the place of Rev. Dr. Archibald Alexander, deceased. He reported to the Board that the following books have been received as donations to the library through the year, viz.

From persons not named nineteen volumes, and a number of pamphlets and tracts. Among these volumes are Boyle's works, 6 volumes quarto, and a Bible in the English authorized edition, 1 vol. folio, 1611.

From Rev. John C. Lowrie, New York, one volume and some pamphlets.

From R. L. Stuart, Esq., New York, 35 volumes. Among these is the Encyclopedia Metropolitana, 25 volumes, and Index complete.

From Nisbet and Co., London, Poole's Annotations, 3 vols.

From the Presbyterian Board of Publication, its issues as numbered on their printed catalogue, from No. 238 to 322, together with some volumes of tracts and catechisms, Home and Foreign Record for 1851, and the Assembly's Digest.

The Librarian reported that no books have been purchased for want of funds, and in his report he adds, "It is greatly to be desired that means might be supplied, from some quarter, for a regular annual outlay for the purchase of such books as are most needed; and that the attention of liberal-minded and intelligent gentlemen in the Church might

be turned, more than they have been, to the importance of placing this Institution on a par with others in regard to the advantages arising from a large and well selected library."

The Board have only further to report that boxes of clothing for the use of students, have been received from Morristown, New Jersey, the church of Rev. Dr. James W. Alexander, New York, and the Central Church, Philadelphia. The contents of these boxes have been distributed among the students agreeably to the wishes of the donors.

SEVENTH ANNUAL REPORT OF THE TRUSTEES OF THE WESTERN THEOLOGICAL SEMINARY, LOCATED IN THE CITY OF ALLEGHENY.

The Trustees respectfully submit the following succinct statement of the condition of the finances &c., of the Western Theological Seminary.

The Auditing Committee to whom was referred the accounts of the Treasurer, report as follows, viz:

“Pittsburgh, Jan. 6th, 1852.

“We have examined the above report of the Treasurer, (T. H. Nevin,) and compared his vouchers and book accounts, and find them correct.

H. CHILDS,
JAS. LAUGHLIN.”

The Treasurer's report, made December 31st, 1851, as audited by the committee and approved of by the Board, shows that the Seminary has now available funds of various kinds, which are productive, and secured in different ways, amounting to \$74,202 00.

Of which amount are invested on Mortgage,	-	-	\$30,375 00
Do. do. Allegheny city Bond and Mortgages,			35,000 00
Do. do. Individual Judgment Bonds,			8,827 00—\$74,202 00

Against which there is an indebtedness for various purposes, amounting in all to 4,667 79

Leaving to the Institution - - - - - \$69,534 21

The amount wanting at the date of the Report to complete the Endorsement Fund, and cancel all indebtedness of the Seminary, was 5,465 79

Received by the Treasurer since Report, - - - - - 1,755 00

Present deficit, - - - - - \$4,710 79

Vigorous efforts have been made to raise funds to meet said deficiency, which have resulted as successfully as could have been anticipated, considering the numerous calls which have been made on the liberality of the public in behalf of the Seminary. A few noble minded and generous persons, whose liberality on former occasions has been well tried, have shown that confidence was not misplaced in them, have generously pledged liberal subscriptions (conditionally) to place the Institution entirely out of debt; a result which would gladden the hearts, not only of the Trustees, but also of every friend of Presbyterianism.

But as some of the largest of those pledges are *conditional*, the Board would still look with confidence to the other friends of the Seminary to make up the deficiency, so that the Trustees may be enabled to avail themselves of what is pledged.

The Treasurer reports the receipts into the contingent fund since January

1st, amounting to	-	-	-	-	-	-	-	-	\$754 44
Amount paid out,	-	-	-	-	-	-	-	-	777 96

Scholarships.

Dornan Scholarship,	-	-	-	-	\$2,000 00
O'Hara Scholarship,	-	-	-	-	2,000 00
McNeeley Scholarship,	-	-	-	-	2,000 00
Smith Scholarship,	-	-	-	-	2,000 00
Patterson Scholarship,	-	-	-	-	2,000 00
					\$10,000 00

We have been favoured with more than usually valuable and large additions (by donation) to the Library of the Seminary.

Luther Halsey, D. D., has deposited in the Seminary edifice the principal part of his rare and extensive collection for the use of the Professors, with an understanding that it may be ultimately donated as an absolute addition to the common Library of the Institution.

We have the pleasure to acknowledge a donation from Messrs. Carter & Brothers, N. Y., of one hundred and fifty-six volumes.

Also from W. S. Martien, Philadelphia, of thirty volumes.

Also from G. B. Lamar, Esq. of Brooklyn, N. Y., of one hundred dollars, which has been carefully invested by Professor Jacobus in the purchase of Books.

Also from A. S. Barnes & Co., New York, of five volumes.

Also from Rev. Dr. J. M. Krebs, New York, of seven volumes.

Also from Neville B. Craig, Esq., Pittsburgh, of ten volumes.

Also from Luke Loomis, Pittsburgh, a set of the Biblical Repertory, bound and nearly complete from the beginning. From the Rev. J. C. Lowrie, New York, a print of Calvin's interview with the Syndics of Geneva on his death bed.

From Rev. Dr. McConaughy, late of Washington, Pennsylvania, a copy of his *Biographical Discourses*.

ANNUAL REPORT OF THE DIRECTORS OF UNION THEOLOGICAL SEMINARY,
IN PRINCE EDWARD COUNTY, VIRGINIA, 1852.

The Board of Directors of Union Theological Seminary respectfully reports to the General Assembly, that during the seminary-year, ending the ninth day of June, A. D. 1851, twelve students have been connected with the Institution. Of these, four commenced their studies here within the past year, to wit: John W. Montgomery, candidate of Orange Presbytery, North Carolina. Thomas A. Witherow, of Maryland, and graduate of Jefferson College, Pennsylvania. Robert I. Taylor, candidate of Lexington Presbytery, Virginia; and James A. Barr, candidate of Concord Presbytery, North Carolina, graduate of Harrison College, and from the Seminary at Columbia, South Carolina.

The students have been arranged in Classes as follows:

Junior Class.

John W. Montgomery, N. C.
Thomas A. Witherow, Md.

Middle Class.

James A. Barr, N. C.
Daniel E. Curtis.
William S. Moore, N. C.
John M. Sherwood, N. C.
Daniel T. Towles, N. C.
William P. Wharton, N. C.
Charles White, Va.

Senior Class.

William B. Tiddball, Ohio.

Irregulars.

T. W. Erwin, N. C.
R. I. Taylor, Va.

The students have enjoyed good health, with the exception of Mr. Erwin, who left the Seminary in January, from apprehension of bronchitis, and Mr. Barr, who left in May in consequence of sore eyes. The others have pursued their studies to the close of the session, with commendable diligence. Indeed, it is believed, that during no year has there been more punctual attention to all the prescribed duties of the Seminary by the students; and their correct deportment, and elevated tone of piety, have been highly gratifying.

Mr. Taylor has been connected with the Seminary one year. Mr. Tiddball has been the whole time prescribed by the rules; but failed to receive a certificate, because he did not study Ecclesiastical History under the instruction of the Professor, though he took an examination on that branch before his Presbytery, which was sustained.

The following ministers and ruling elders compose the Board of Directors, viz:

MINISTERS OF THE SYNOD OF NORTH CAROLINA.

E. McNair,	D. Lacy,
W. N. Mebane,	A. Baker,
D. A. Penick,	R. Burwell,
A. Currie,	G. Morgan.

RULING ELDERS.

J. Garland,	J. J. Speed,
R. V. Watkins,	N. M. Lewis.

MINISTERS OF THE SYNOD OF VIRGINIA.

William H. Foote, D. D.,	William S. White, D. D.
P. Calhoun,	N. Chevalier,
T. Pryor,	G. W. McPhail,
S. D. Stuart,	A. Hart.

RULING ELDERS.

W. Bell,	C. Carrington,
A. G. McIlvaine,	C. C. Read.

The records of the respective Synods show what Directors and what Electors go out of office the present year.

OFFICERS OF THE BOARD.

Rev. D. Lacy, *President*.
 Rev. Wm. H. Foote, D. D., *1st Vice-President*.
 Rev. J. A. Gretter, *2d Vice-President*.
 C. C. Read, Farmville, Va., *Secretary*.
 F. N. Watkins, " *Treasurer*.

The Professors of the Seminary are as follows:

Rev. S. B. Wilson, D. D., *Professor of Theology*.
 Rev. S. L. Graham, D. D.,* " *Ecc. History and Polity*.
 Rev. F. S. Sampson, D. D., " *Oriental Literature*.

Touching the small number of students now, and for years past, connected with the Seminary, the Directors would submit to the consideration of the General Assembly, the following remarks contained in the report of the Faculty to the Board of Directors, viz.

"To those who have contributed their money to establish this 'school of the prophets,' for the purpose of increasing the number, and promoting the piety and intelligence of the future ministers of our Church, the present small number of students may seem to be very discouraging. It may be, that God intends in this way to try the faith and patient perseverance in well-doing of his people; or he may be calling us to repentance for the neglect of duty, in praying to the Lord to send forth labourers into his harvest, and the use of proper means on the part of ministers, churches, and parents, to accomplish this important object.

"To prevent unreasonable discouragement on this subject, we may state that, besides the fact that candidates for the gospel ministry are mournfully few, there are other reasons which may account for the small number collected here. Since this institution was established, two similar ones have been erected in the west, and one in the south, which have received a number of students from parts of our country that formerly resorted to this place.

"Much, however, as we may regret the present small number of our students, when we examine what has been done for the Church through the instrumentality of this Seminary, we shall find abundant cause to bless God for the good fruit already produced, and to take courage to labour and to hope for still greater things to come. Since A. D. 1823, Union Theological Seminary has had under its care 250 young men, many of whom are now filling stations in the Church of great importance, with high reputation and great usefulness. By their labours many hundreds have been gathered into the Church, and eternity alone can reveal the amount of good that shall be accomplished through their influence. With these facts before us, while it is yet with us 'a day of small things,' let us go forward, trusting that He with whom is the residue of the Spirit, will give enlargement, and make our beloved Seminary a fountain whose swelling streams shall yet more abundantly bless the Church and the world."

CLEMT. C. READ, *Secretary*.

THE CONTINGENT FUND.

There is still a necessity for calling the particular attention of the churches and Presbyteries to this Fund. The expenses for which it provides are indispensable, not only to the vigorous working, but to the maintenance of our ecclesiastical organism. And in this certainly every church, and every member of the church will feel an interest.

TO THE STATED CLERKS OF SYNODS.

It is the duty of the Stated Clerks of the respective Synods, to send up to the Stated Clerk of the General Assembly an annual report, stating, in brief, the number of Presbyteries, ministers, churches, licentiates, and candidates within their bounds, and particularly all changes which may have been made in the arrangement of Presbyteries. By the Assembly of 1841, (see p. 425,) it has been made their duty also to transmit to the Stated Clerk of the Assembly, the time and place of meetings of their respective Synods.

THE STATED CLERKS OF PRESBYTERIES

Are earnestly requested,

1. To make their Annual Reports to the Assembly, if they have no printed blanks, after the form on page 414 of these Minutes. Blanks can always be obtained on application to the Stated Clerk.

2. To make their Reports in fair, distinct writing, especially the columns of figures.

3. To make them as accurate and full as possible. If, in any instance, churches do not report to Presbyteries, it is desirable that their number of communicants should be inserted from their last report.

4. To report *no cents*. The Assembly has so ordered. If therefore they are reported, the Stated Clerk of the Assembly is obliged to throw them out altogether, or to incorporate them with the dollars. This costs him a serious amount of labour to which he ought not be subjected.

5. To *add up* each column of figures with care. Many still neglect this; and thus oblige the Clerk of the Assembly to do what they should do themselves.

6. To append to the Statistics of Presbyteries a brief account of changes which have occurred during the year; such as licensures, ordinations, installations, dismissions of pastors, organization of new churches, and deaths of ministers.

7. To transmit their Reports to the Stated Clerk either at the meeting of the Assembly, or to Philadelphia, not later than the first day of June.

REGULATION RESPECTING THE MINUTES.

Adopted by the Assemblies of 1836 and 1837, and directed to be republished in the Appendix to the Minutes.

“ Each Presbytery shall forward to the Treasurer, for the *Contingent Fund* of the Assembly, at or before the meeting of the Assembly in each year, a sum equal to *fifty cents* for each member of the Presbytery, and for any licentiate or other person who shall desire the Minutes, and whose post-office address shall be given. And the Stated Clerk shall not forward the Minutes to the members of any Presbytery from which no such remittance shall be made, but only to the Stated Clerk of such Presbytery, and to such members as shall forward the sum above stated.

FORMS OF BEQUESTS.

When bequests are made to the Institutions of the Church, let the following forms be carefully observed. Legacies are often lost to the cause which the testator designs to aid, by a defect in the will. When real estate or other property is to be given, let it be particularly described.

BOARD OF DOMESTIC MISSIONS.

To the Trustees of the Board of Missions of the General Assembly of the Presbyterian Church in the United States of America, and to their successors and assigns, I give and bequeath the sum of _____, or I devise a certain message, and tract of land, &c., to be held by the said Trustees, and their successors for ever, to and for the uses, and under the direction of the said Board of Missions of the said General Assembly, according to the provisions of their charter.

BOARD OF EDUCATION.
